*** GREAT NEW STUFF ***

We're so excited to welcome back all our knitting and crocheting friends! If you're ready to get out for a fiber adventure road trip, please join us during the Steel Valley Yarn Crawl July 30–August 8, 2021. Escape with us!

What summer accessories are you excited to stitch this season? Light and airy shawls, portable projects like socks and scarves, and fingerless texting mitts make marvelous projects in the hotter months. Here's what's new, what's now. Which of these new yarns and designs will make it to your queues and needles/hooks first?

EMMA'S YARN Crazy Beautiful Color Club August 2021 selection was inspired by the clear skies interrupted by the short, sunny rain showers that make summer greenery thrive at this time of year! There are endless possibilities for coordinating colors to match. It is available on bases "Practically Perfect Sock" (\$26.95, 100 grams, 400 yards, 80% SW merino/20% nylon, CYCA# 2), "Super Silky" (\$29.95, 100 grams, 400 yards, 80% SW merino / 20% silk, CYCA# 2) and "Drapey DK" (\$33.50, 100 grams, 231 yards, 70% SW merino/30% silk, CYCA #3).

This colorway reminds us that garments shouldn't be excluded from your knitting just because it's summer. TANIS FIBER ARTS *Rock It Tee* (\$7.50, Ravelry Pro download available at Kathy's Kreations, shown page 8, upper left) is engaging to make and comfortable to wear. There is nothing more versatile than an easy breezy knit top. This is a wardrobe staple, a go-to V-neck tee. The basic shape lends itself to infinite possibilities when it comes to stripes and color blocking. Pick up two shades of EMMA's fingering weight and let the knitting fun begin. We also have a new assortment of EMMA's "Smalls" 81 yards mini-skeins on base "Practically Perfect" (\$6.00 each) for *Talk To The Paw...*

The cool touch of BERROCO summer-ready "Modern Cotton" (\$9.50, 100 grams, 335 yards, 60% pima cotton/40% Modal rayon, CYCA #3) is a pleasure to knit or crochet and wear – especially on sunny, mid-summer days! A DK weight blend of Pima cotton and Modal rayon, it has a soft hand, beautiful twist, and sophisticated finish. Plus, it is machine washable – ideal for warm weather tops! Another BERROCO standout is "Pure Pima Cotton" (\$11.50, 100 grams, 219 yards, 100% pima cotton, CYCA #4). This 4-ply yarn has the perfect amount of twist and a matte finish, loved for its superior softness and exquisite stitch detail...

COMING SOON from ADDI: the perfect flexible double-pointed needles now has more options! Fans of the original FlexiFlips will be delighted to see the fast, smooth "FlexiFlips Squared" you've come to love will soon be here in larger sizes to make your knitting easier. Cast on to an effortless method of knitting socks, cuffs, hats, and many other projects which are worked in the round. When you knit with ADDI's signature Flexi Flips double point format, you hold your stitches on two needles and knit with the third, resulting in only two needle changes per round. How nice is that?

Sherbet Fizz (\$7.00, Ravelry Pro download available at Kathy's Kreations, shown lower right) by designer Ambah O'Brien is a summery confection of a shawl that proves to be more-ish knitting; i.e., try to stop at just one! Choose between small and large sizes in fingering weight or the DK weight version, and knit up a lightweight shawl that will be a delight to throw on for a touch of warmth on cooler days or in overly air-conditioned rooms. Simple lace alternating with garter rows keeps it interesting and not too challenging – perfect for a first time lace knitter or summertime stitching. *Sherbet Fizz* is easily adjustable to make the most of your yardage. The pattern includes both charted and written instructions for the lace...

*** MORE GREAT NEW STUFF ***

Hot summer days make autumn days feel like they are very far away. Spoiler alert – they are not, so it's time to get prepared and look for some new patterns! Pulling inspiration for a modern earth-tone palette, *Snowdrop Cowl* from designer Elizabeth Smith (\$8.00 pattern, shown right) uses clean, simple lines and floral eyelet details to create light, transitional layers that are as easy to knit as they are to wear. The diagonal lines adorn just one side of the *Snowdrop Cowl* for an asymmetrical, modern twist. This one skein project is light and airy, yet warm when knit in MANOS DEL URUGUAY “Alegria” (\$28.50, 100 grams, 445 yards, 75% SW merino/25% polyamide, CYCA #2). New shades have just arrived. By the way, this yarn is ideal for knitting or crocheting all kinds of socks and slippers, which are great take-along travel projects...

Our knitting friend Carol H suggested that we recommend a favorite pattern of hers, *Halloween Knit Hat* by HOLLY G HATS (free on Ravelry), to start knitting NOW so it will be ready for October wearing. This hat has all the kitschy Halloween elements – rows of jack o’lanterns, black cats, ghosts, and green skulls. The hat requires five shades and quite a bit of colorwork, but Carol tells us it is worth the effort. It is sized for an adult head and is a warm finished product that should keep any parent’s ears warm during trick or treating. Check out our selection of easy-care PLYMOUTH “Encore Worsted” (\$7.50, 100 grams, 200 yards, 75% acrylic/25% wool, CYCA #4) for spooky shades...

Casapinka is starting a new mystery knit along on August 14, 2021, with six clues over 6 weeks. Of course, we are participating! DREAM IN COLOR has created four gorgeous combo kits in their new yarn, “Suzette” (\$132.50/kit, each skein: 4 ounces, 370 yards, 50% merino/50% silk, CYCA #3), featuring 4 hanks in each set. Our mystery knit-along is a great chance to try working with this fabulous new yarn. This luxurious light sport weight blend also works great at a heavy fingering weight gauge. Additional options for this project are combo kits with four skeins of luxurious fingering weight hand-dyed in Florida “Super Silky” per set, EMMA’S YARN (\$142.50/kit, each skein: 100 grams, 400 yards, 80% SW merino/20% silk, CYCA #2)...

DREAM IN COLOR “Sock-It Club” is back! This month’s club selection is inspired by a gorgeous sunny day with the blooming flowers of Lurie Garden in downtown Chicago, located in between “the Bean” and the lakefront. This colorway features one full skein plus one mini accent for heels and toes. The yarn base is customer favorite for socks, “Smoochy” (\$36.50 set, 420 yards full skein plus 100 yard mini, 85% SW merino/15% nylon, CYCA #2, shown page 6, lower left)...

Lightweight hats are perfect projects for using up stray skeins of yarn, and they make great gifts, so use them to get a jump of holiday knitting! *Flicker & Flame* (\$7.00, Ravelry Pro download pattern available at Kathy’s Kreations, shown lower left), a hat design by Andrea Mowry, features hats for the whole family in two different yarn weights. These colorwork beanies are knit from the bottom up, with the colorwork motifs being read from a chart. The worsted weight hat fits more like a classic beanie, while the sport weight hat has a slouchier fit. Choose a hand-dyed yarn that gradually changes color for the contrast shade to create beautiful colorwork with minimal effort. Choosing high contrast yarns will make the motifs pop...

*** AUGUST KNIT ALONG ***

Drum roll, please! Casapinka's summer Mystery Knit Along (MKAL) is due to start on August 14, 2021, *The Snark-o-Meter*. It will star Sharon from Security (the snarkiest!), Fin from Interpol, with special appearances by Jean from I.T. and Kit Kat. There will be 6 clues over 6 weeks. Yarn requirements include US size 6 knitting needles and 4 skeins of fingering weight yarn (New "Suzette" kits from DREAM IN COLOR, shown upper left). You may need to size down a couple of sizes if using single-ply yarn. The shape is a basic rectangular shawl and is suitable for intermediate beginners and up, with "easy" options. We will do mocktails and cocktails again and maybe some other surprises, as we have done in previous years with *Perfect Blend* and *The Sharon Show* projects. This promises to be another fun MKAL!

Until the new release, we will continue working on *Talk to the Paw*, our July KAL. Join us in person every Friday from 10:00 am–2:00 pm during August 2021 (rsvp please, occupancy limited) to work on these KALs, the Maryland Road Trip or any other project purchased here, or follow along on our August 2021 Ravelry thread on "We Love Kathy's"...

*** KNITTING CLASSES ***

This month, our *Let's Knit A Hat* series with Karen McCullough features *June Hat* by Meghan Kelly from Kelbourne Woolens "Year of Hats" collection (shown lower right). Learn some new techniques with this colorful project on **Tuesday, August 3, 2021, 1:00 pm–3:00 pm**. This hat is worked in the round from the bottom up. Columns of slipped knit stitches repeat at regular intervals around the hat, breaking up the horizontally striped purl rows. Choose two 400 yard skeins of Aran weight yarn — there is enough yarn in the two skeins to make a second hat in the opposite colorway. Use odds and ends of stash to make a multi-color pompom embellishment. Additional class supplies include US size #5 and US size #7 16" circular needles plus US #7 double-pointed needles. Registration fee is \$20.00, with pattern included free to students.

What's coming up? Mark your calendars — Karen's continuing hat class series features Kathy Zimmerman's *Take A Hike* cabled hat on **Tuesday, September 7, 2021, 1:00 pm–3:00 pm**. The Laurel Highlands of Pennsylvania are the perfect destination to enjoy Nature's Beauty, particularly in late summer/early autumn. The picturesque countryside inspired Kathy to design this cabled hat with plaits and textures. It's the perfect accessory to wear when taking a hike! Class supplies include 200 yards worsted weight yarn; US #5 & #7 16" circular knitting needles plus US #7 dpns; circular row counter; locking stitch markers; and a cable needle. Registrations is \$20.00, plus \$5.00 pattern.

Our *Building Blocks* knitting class series with Karen McCullough will re-visit *Right Twist* on **Tuesday, August 17, 2021, 1:00 pm–3:00 pm** (previously on summer vacation hiatus). This knitting series was designed by Michelle Hunter specifically to help expand your skills while you navigate through knitting techniques and principles while knitting sampler squares that will eventually make an afghan. This month's topic is *Right Twist*, dramatic two-stitch mini-cables that are the result of knitting stitches out of order, made with or without a cable needle. Registration fee is \$20.00 per session plus purchase of book and yarn from Kathy's Kreations. Want to learn more? Please give us a call at 724-238-9320 for information...

*** FALL FLING 2021 ***

Kathy's Kreations invites you to join us for our 12th annual Fall Fling Knitting Workshop, **October 1–3, 2021**. We are delighted to announce that the very talented Jolie Elder will be back by popular demand, teaching a nine-hour workshop at the Ramada Inn in historic Ligonier, PA.

Jolie will share her techniques for *Easy Reversible Cables* in a six-hour session on Saturday. The featured project is a special treat, the *Legerdemain Scarf* (shown upper right). Yarn for this project will be included with registration (six skeins of BERROCO "Ultra Alpaca Light"). On Saturday morning, we'll work our way through the basics of reversible cables. On Saturday afternoon, we'll look at a center-out cast-on and a Y-increase. Participants will be able to design their own hat with a reversible cabled brim (*Casqueade Hat*). On Sunday, we'll cover a special technique called *Knit Faster With Combination Knitting*.

The weekend package includes an after-hours boxed meal and extra shopping time at Kathy's Kreations (Friday evening); an informal meet & greet Friday evening to get acquainted; an optional Friday evening knit along; morning coffee breaks and two lunches at the Ramada; classes Saturday and Sunday; extended lunch break on Saturday with time to shop in the pretty little town of Ligonier and goodie bags. Registration is \$250 per person. Overnight lodging at the Ramada is not included and is optional. For more information or to request a flyer, please contact Kathy at 724-238-9320 or by e-mail, kathyknitz@gmail.com

*** HOLDING YARN DOUBLED ***

Got stash? Did you know that you can hold multiple strands of yarns together to obtain a heavier gauge? All are just estimates as your yardage/weight may vary. According to irockknits on Instagram:

- 2 strands of thread weight = lace weight to fingering weight
- 2 strands of lace weight = fingering to sock to sport weight
- 2 strands of sock = sport to DK weight
- 2 strands of sport = DK or light worsted
- 2 strands of DK = worsted or Aran
- 2 strands of worsted = chunky
- 2 strands of Aran = chunky to super bulky
- 2 strands of chunky = super bulky to jumbo
- 1 strand of lace weight + 1 strand of fingering = sport weight
- 2 strands of fingering = DK weight
- 1 strand of fingering weight + 1 strand of sport weight = worsted weight
- 1 strand of sport weight + 1 strand of DK weight = bulky weight

Kathy adds: Don't forget to swatch, swatch, swatch when substituting yarns!

*** TRAVEL KNITTING ***

Our "On The Road Again" theme for the Steel Valley Yarn Crawl has us thinking about on-the-go stitching. Whether you're hitting the road or flying in a plane, we've got lots of small project ideas. Traveling can be stressful, so distract yourself with entertainment (knit or crochet). Whatever you have on your needles and hooks (breezy linen, cool cotton, or something woollier), we hope you have a wonderful time – now, as you're making it, and later, wearing it!

Some tips: use old pill bottles to store small pins or markers; try to consolidate projects, choosing patterns that use the same size needles or hook; work your gauge swatches ahead of time; choose projects that are interesting to work on for a long period of time, but not too challenging; and pack all your gear in one handy bag...

*** THE TEN BEST DAYS OF SUMMER ***

It's time to hit the road for the seventh year of the Steel Valley Yarn Crawl, known at our LYS as "the ten best days of summer"! With six shops participating, this is an event you won't want to miss. Please join us for ten fun-filled days, beginning **Friday, July 30, 2021** and continuing through **Sunday, August 8, 2021**. Meet up with your "yarn buddy" friends and other fiber lovers for this self-guided tour of the premier yarn shops in the Pittsburgh and western Pennsylvania area. Visit each shop, get your passport stamped, collect a stitch marker charm (see bracelet, upper left) and be entered into the drawing for a grand prize. Take day-trippin' to the max with this summer splurge adventure!

The Yarn Crawl features a "passport" to get stamped at each of the participating yarn shops, in no particular order. Included with the passport is a leatherette bracelet and 2020 and 2021 commemorative stitch markers (shown upper left). Along the way, receive a free stitch marker charm from each participating shop with your passport stamp to add to the bracelet collection. Even more fun, each shop will feature its own projects and yarn collections, along with chances to win PRIZES! Check out the Steel Valley Yarn Crawl group on Ravelry, Facebook or website (see contact info below) for participating shops, store information, hours, a map and travel planning. Our customers are encouraged to bring a tote bag from previous yarn crawls for shopping. There may be a small "treat" for those who do!

There is no purchase required to get your passport stamped. You may visit as few or as many shops as you possibly can. The more shops you visit, the more chances you have to win prizes. **Everyone who visits all 6 shops will be entered into a drawing for a merchandise basket valued at over \$600!**

The rules of engagement include:

- Passports must be purchased from one of the participating yarn stores.
- Each participant must have their own passport. Only ONE passport per person.
- Each participant must fill out the contact information on the passport. Please print clearly – we need this information to be able to contact you!
- Each participant must be present at each yarn shop to receive their stamp (i.e., no proxy crawling!).
- Each participant must be at least 18 years of age.
- All completed passports must be turned in by the end of business on August 8, 2021 to the last store you visit.
- All winners will be posted online at our Ravelry and Facebook pages and will be contacted within 30 days of the end of the yarn crawl.
- Winners who have not claimed their prizes within 30 days will forfeit them and alternate winners will be chosen.
- Please be respectful and comply with health and safety precautions at each shop.

At each shop, you will receive a free drawing ticket good at that shop only with your passport stamp and stitch marker charm. In addition, you are eligible for bonus door prize tickets with your purchases at each shop (\$25 purchase, 4 extra tickets; \$50 purchase, 10 extra tickets; \$100 or more, 25 extra tickets). These tickets may only be deposited at the shop that gave them to you. Kathy's Kreations will have three spectacular gift baskets – two with merchandise (assembled in stunning, giant CRATE & BARREL trays) and one \$50 gift card. There will be a grand prize basket valued at over \$600 retail for one lucky winner completing the crawl (your name is entered for this prize once you've turned in your completed passport).

For general information, please visit the new website, thesteelvalleyyarncrawl.com or contact thesteelvalleyyarncrawl@gmail.com.
