*** GREAT NEW STUFF ***

Knit tops are the ultimate summer project! Fashion news is all about lightweight tops this season — tees, tanks, cardies, and shawls — in soft pastels and gentle yarns. We can help you choose one to make, keeping it simple or picking one with unique details and fun techniques to learn. With either no or minimal sleeves, you can get your new garment off the needles or hook and enjoy wearing it in a jiffy! Check out our beautiful collection of elegant summertime sweaters and tees like CASAPINKA's *The Birdwatcher* (\$7.00 Ravelry Pro download) and our lovely selection of lacy shawls and colorful sock project ideas...

EMMA'S YARN June 2021 Crazy Beautiful Club features gorgeous shades of delicate, feminine shades of lavender and pink on a gray background. Emma was inspired by spring blooms filling the air with the most amazing scents. This lovely colorway coordinates with a variety of neutral shades while still keeping it happy and springy. Available here now on bases "Practically Perfect" (\$26.95, 100 grams, 400 yards, 80% superwash merino/20% nylon, CYCA #2) and "Super Silky" (\$29.95, 100 grams, 400 yards, 80% superwash merino/20% silk, CYCA #2)...

Your favorite recycled yarn gets a new weight! BERROCO introduces "Remix Chunky" (\$12.50, 100 grams, 139 yards, 30% nylon/27% cotton/24% acrylic/ 10% silk / 9% linen, CYCA #5), perfect for all your larger gauge garments and accessories. We love it for LISA KNITS "Reader's Wrap" #AC-10 (\$5.00)! This machine washable yarn is an all-season replacement for wool, and it just gets softer with wear and washing. This wonderful yarn is also available in DK ("Remix Light") and worsted weight ("Remix"). Knit and crochet garments made from this yarn are comfortable in every way and very eco-friendly. We've also had customers recommending "Remix" for chemo hats...

Add some luxury to your little one's wardrobe with SIRDAR "Snuggly Cashmere Merino DK" (\$11.50, 50 grams, 57% wool/33% acrylic/10% cashmere, 142 yards, CYCA #3). Spun with pure natural merino, high quality acrylic and a touch of cozy cashmere for your most precious baby projects, it comes in a wide range of beautiful contemporary shades. This luxurious yarn has excellent stitch definition and is a delight to knit or crochet. It's so super soft that you won't want to stop stitching. Smooth and tightly plied, it is designed for next-to-the-skin wear, and it's machine washable, too. Kathy designed a baby hat pattern with this yarn in mind (see page 6)...

Summer knit alongs are so much fun! It's not too late to join in the fun of knitting CASAPINKA's *The Noncho* (\$7.00 pattern, Ravelry Pro download available through Kathy's Kreations). This striped poncho is designed for either fingering or DK weight yarns and is figure-flattering for everyone. DK weight kits have recently arrived featuring DREAM IN COLOR "Cosette DK", EMMA's YARN "Simple Spectacular DK" and BAAH YARNS "Sonoma". Kit prices vary with quantity needed for size (seven sizes are given in the pattern). This design debuted in late April for National Bubble Tea Day. We also have a limited supply of HAND-DYED CUTWORK "Boba" wooden stitch marker sets (\$8.50), colorful and fun tools to bring vibrancy to your knitting projects. Ask to see Kathy's Noncho-in-progress...

Light and smooth with a lovely pastel palette, FIBRA NATURA "Cotton True Sport" (\$7.50, 50 grams, 197 yards, 100% pima cotton, CYCA #2, shown right) is an excellent choice for both baby knits and exquisite polished summer garments that invite compliments...

*** MORE GREAT NEW STUFF ***

Who wouldn't like to have a simple sweater in their knitted wardrobe – something basic that could be knit on circular needles without a fuss? The *Throwback Tee* pattern (\$6.00 Ravelry Pro download, shown right), designed by Wanda Eichler of GRAYWOOD DESIGNS, is such a basic sweater t-shirt. This classic pullover features raglan shaping with yarn-over patterning along the seams, a face-framing ballet neckline, short sleeves, little or no shaping, mid hip length, all knit with a lightweight yarn. This design was highly recommended by our customer Kathy C, who tell us that the pattern is “well-written and chock full of design tips.” Worked with HiKOO's Peruvian yarn, “Sueno” (\$26.50, 100 grams, 255 yards, 80% superwash merino/20% viscose from bamboo, CYCA #3), the resulting knit fabric is soft, great to style with jeans or skirts and comfortable to wear, with the bonus of being hand washable. The perfect amount of spring combines with strength and wearability in mind, making knitting with it a pleasure. This project is very suitable for a “My First Sweater” project...

We're looking forward to the iconic things of summer – sunny weather, days at the beach, and backyard outings. With all of that summertime fun, we need garments made with a yarn that can keep up with us, like ROWAN “Creative Linen” (\$15.50, 100 grams, 219 yards, 50% linen/50% cotton, CYCA #3). This linen/cotton DK weight yarn is cool to work with and to wear as temperatures heat up. The soft feel will keep you comfortable and the crisp stitch definition ensures that lace and texture patterns will pop in everything from tanks and tees to shawls and scarves. You'll never run out of ideas for what to make with ROWAN “Creative Linen”, like the *Clamber* by Norah Gaughan (\$6.50 Ravelry Pro download available at Kathy's Kreations, shown page 8, upper left), a swing-style, relaxed fit, very unstructured cardie that's halfway between a cardigan and a shrug...

Soft, luscious 100% baby alpaca in a wide range of colors, JUNIPER MOON FARMS “Herriot” is a wonder! (\$22.50, 100 grams, 218 yards, 100% baby alpaca, CYCA #3) This cozy 4-ply yarn has a slight halo and works up between a light worsted and a DK weight gauge. Imagine heavenly soft sweaters with elegant drape and warm berets and scarves. This would be a great choice for Kathy's “Cables & Textures Hat & Mitts” design (\$5.00 pattern)...

Here's something really cool – SCHOEPPPEL's “Cotton Ball” (\$22.50, 100 grams, 462 yards, 100% cotton / CYCA 2). This long-staple cotton is sourced from Greece and dyed in Shadow Colors through the use of a new environmentally-friendly water technology. This yarn features a cool hand and superior drape. It is an excellent choice for the *Pebble Beach Shawl*, designed by Helen Stewart (\$7.09 USD, Ravelry Pro download available at Kathy's Kreations). This wrap is a light, crescent-shaped accessory, perfect for keeping off chilly breezes on Summer evenings. The shawl is knit with one or two skeins of luxury yarn, and is the perfect take-along travel knitting project. A simple yet effective lace pattern (easy to memorize, no charts!) drapes beautifully across the shoulders and the picot bind off gives it a polished finish. The pattern is written for three sizes – shawlette, medium and large. Ideal for special occasions and “enchanted evenings”...

We are always curious about the inspiration behind designs and hand-dyed colorways. DREAM IN COLOR recently introduced a sunny day shade called Sonoran Magic, inspired by the Sonora Desert near their Arizona headquarters. We are loving the soft sand background with splashes of pink, peach and green. It is available here now on their incredibly soft “flagship” worsted yarn base “Classy” (\$24.50, 113 grams, 250 yards, 100% superfine Australian merino wool superwash, CYCA #4, shown left)...

*** JUNE 2021 KNIT ALONG (KAL) ***

Our June 2021 knit along features airy, lace accessories from one of our favorite designers, Casapinka. She has been inspired by Downton Abbey fans to create the *Lady Edith Writing Cowl* (shown upper left, \$6.00, Ravelry Pro download available from Kathy's Kreations). This begins with rib, and two lace patterns that are reminiscent of some of the tiaras and headdresses that Lady Edith wore in the series. This cowl is delicate and comes in human, cat, dog and iguana sizes and is made with one skein of fingering and a bit of mohair or contrast fingering. *The Countess of Grantham Hat* (shown lower right, \$5.00, Ravelry Pro download available from Kathy's Kreations) might not give you the wit of the Dowager, but it does make a pretty hat. Casapinka tells us this is a good pattern for drinking tea and watching Downton Abbey re-runs. It is a match to Lady Edith's cowl. You may use any fingering weight yarn. This is an ideal project for an advanced beginner knitter who has done a bit of lace. There are no charts with either lace pattern, but the use of stitch markers between repeats is recommended...

Join us in person every Friday during June 2021 (rsvp please, occupancy limited) to work on this Casapinka release, the Maryland Road Trip, or any other project purchased here from 10:00 am–2:00 pm or follow along on our June 2021 Ravelry thread on "We Love Kathy's"...

*** UPCOMING CLASSES (please call 724-238-9320 to register for all classes) ***

Let's Knit A Hat! is a fun skill-building "hands on" opportunity offered by instructor Karen McCullough on **Tuesday, June 1, 2021; 1:00 pm - 3:00 pm**. This month's project is *October Light*, designed by Cynthia Spencer of REALLY CLEAR DESIGNS. Class supplies include 200 yards of worsted weight yarn in a main color and small amounts of contrasting worsted in three or more colors, US 5 & 7 circular knitting needles in 16" length, and US size 7 double-pointed needles. Karen will demonstrate the two-handed, two-color Fair Isle knitting technique. Registration fee of \$20.00, plus purchase of pattern from Kathy's Kreations (\$5.00). Make this the summer of knit hats!

Our *Building Blocks* class series resumes on **Tuesday, July 20, 2021; 1:00 pm -3:00 pm** with instructor Karen McCullough. This knitting series was designed by Michelle Hunter specifically to help grow your skills while you navigate through major knitting techniques and principles while knitting sampler squares to eventually make an afghan. Each class will focus upon a technique to broaden your understanding. The topic is *Right Twist*, dramatic two-stitch mini-cables that are the result of knitting stitches out of order, made without using a cable needle. Registration fee is \$20.00 per session plus purchase of book and yarn from Kathy's Kreations. Want to learn more? Please give us a call at 724-238-9320 for information on any of our upcoming classes or to schedule a private knit or crochet lesson...

Always been a little curious about brioche knitting? Or, maybe you know just a little, but not quite enough? We've got a class coming up with instructor Marian Lech that is just the answer. *Let's Do Brioche*,

Part 1 on **Tuesday, June 8, 2021, 10:30 am –1:30 pm**, is an introductory class for those who have never done brioche or need a refresher. In this class, you will learn about terms, stitches and basic brioche techniques. Student supplies include swatching yarn in worsted weight and US 7 or 8 knitting needles (straight or circular), or purchase supplies here before class. Class fee \$20. Limit 4 students.

A follow-up class with two-color brioche technique will be scheduled at a later date...

*** KNITTING TIP *** To avoid striping or color pooling, Kathy recommends alternating skeins of yarn throughout your project when using tonal or variegated yarns (every two rows when working a two-skein project, every row when working a project with 3 skeins or more). A bonus is that you only will weave in ends at the beginning and end of your work...

*** KNITWEAR TRENDS FOR SUMMER 2021 *** According to the website *Brunette From Wall Street*, knitwear is the biggest trend for Summer 2021. Feminine pink and lilac are very popular shades to choose. FYI:

“Strappy knitwear” is a new knitwear trend that is rising fast – probably faster than you can tie the tie of a fashionable cardigan around your waist...

Vests – a cropped, pretty vest is a must-have you’ll want to add to your wardrobe

Cardigan Set – although popular for a while, knitwear designers keep making them pretty; cropped cardigans are the biggest trend; puff sleeve cardigan

Short cardigan with a collar (exaggerated collar, lace collar, sweetheart neckline) * Knitted athletic top

Knit polo shirt * Classic fitted tank top * Backless silhouettes * Ribbed textures

Lacy rectangular stoles (like SKACEL’s *The Merry Stole*, shown upper right)

*** NEWS FROM CASAPINKA ***

CASAPINKA is working on a new design called *Talk to the Paw*, which will be released in mid-July. It’s pretty much a surprise, but we can tell you that it’s the perfect project for a single skein of 400 yards of fingering weight in solid, tonal, variegated or speckles. In essence, this one-skein wonder will be great for relaxing while sitting at the beach or porch.

Sharon From Security, Finn from Interpol, Kit Kat, and Casapinka are having a wonderful time preparing for their annual August Mystery Knitalong (MKAL). It will begin in mid-August. That’s all we know for now, but will keep you informed as soon as we have more news...

*** LIGONIER NIGHT MARKET DATES ***

For a second year, the Ligonier Country Market and the Ligonier Valley Chamber of Commerce are teaming up to bring the experience of the Saturday morning market to the Ligonier Diamond Park. Market goers can look forward to visiting their favorite producers and processors, delighting in local restaurants, and exploring merchant shops. Kathy’s Kreations will be open extended hours on the third Thursday of the month during the summer of 2021. The 2021 scheduled monthly dates are **Thursdays, June 17, July 15,**

August 19, and September 16. Kathy’s Kreations will be open 10:00 am–7:00 pm on those dates, allowing shoppers to join us after work...

*** FORT LIGONIER DAYS ***

Yes, Fort Ligonier Days are on! This premier fall festival is scheduled for **October 8, 9, and 10, 2021.** Commemorating a key battle of the French & Indian War, Fort Ligonier Days draws many visitors each year to our quaint, picturesque town. With a backdrop of spectacular fall foliage as its setting, a variety of activities are found around the beautiful Ligonier Diamond, throughout the historic town, and at the authentic reconstructed Fort Ligonier. Kathy’s Kreations will be running both indoor and outdoor sales all weekend long!

*** FALL FLING 2021 ***

Kathy's Kreations invites you to join us for our 12th annual "Fall Fling" Knitting Workshop, hosted by Kathy Zimmerman. We are delighted to announce that the brilliant and talented Jolie Elder will be back by popular demand, teaching a nine-hour workshop at the Ramada Inn in historic Ligonier, PA. Jolie will share her techniques for *Easy Reversible Cables* in a six-hour session on Saturday. Featured project is a special treat, the Legerdmain Scarf (shown upper right). Yarn for this project will be included with registration (six skeins of Berroco Ultra Alpaca Light). On Saturday morning, we'll work our way through the basics of reversible cables. On Saturday afternoon, we'll look at a center-out cast-on and a Y-increase. Participants will be able to design their own hat with a reversible cabled brim. On Sunday, we'll cover a special technique called *Knit Faster With Combination Knitting*.

© Jolie Elder

Decription from Jolie: "We'll enjoy a weekend of working reversible cables and knitting faster. On Saturday morning, we'll learn how to make easy reversible cables. You'll be surprised you haven't seen this technique before, it is so simple and satisfying. On Saturday afternoon, we'll design our own top-down hat with a reversible cabled brim. The finished hat is warm and fits a wide variety of head sizes. On Sunday, we'll learn tricks for knitting faster while improving our tension at the same time."

The weekend package includes an after-hours boxed meal and special shopping time at Kathy's Kreations (Friday evening); an informal meet & greet on Friday evening to get acquainted; an optional Friday evening knit along; morning coffee breaks and two lunches at the Ramada; classes Saturday and Sunday; extended lunch break on Saturday with time to shop in the pretty town of Ligonier and goodie bags. Registration is \$250 per person. Overnight lodging is not included and is optional for local participants. *** MARYLAND ROAD TRIP MYSTERY SHAWL ***

This year, knitting friends Cynthia Spencer and Valerie Reed are on the road again, this time to Valerie's home state of Maryland. We are so excited to share with you our mystery knit along and invite you to join the fun!

The 2021 Road Trip Mystery is a beautiful shawl with an unusual shape. The final shape is a bit of a mystery, but we're told that it's a cross between a triangle shape and a scarf, and very wearable. The pattern is divided into 8 sections, an introduction, a conclusion, and six legs featuring different stitch patterns inspired by various regions, landmarks, and natural wonders found in Maryland.

Each leg of the journey will include two different stitch patterns to choose from (Cynthia's or Valerie's), opening the door to a grand choose-your-own summer knitting adventure. The pattern is being released on Ravelry and is available to purchase through Kathy's Kreations as a Ravelry Pro yarn shop. The sections are being released one at a time, running now through the end of July, and the pattern will be updated as the pattern clues are revealed.

Cynthia Spencer was with us for the kick-off during our Spring Break. A few special color packs from BAAH YARNS "La Jolla" are still available but are almost gone. No worries, we can put together "one of a kind" kits for you from our fingering weight collections...
