OCTOBER 2022 UPDATE

Dear Stitches,

For knitters and crocheters, there's no better time than fall to celebrate our own personal style. With a noticeable chill in the air, the change of season is a perfect time to pick up our knitting needles or crochet hook to play with feel-good fibers, warm layers and cozy textures. Easy layers, all day, every day!

As one of our October highlights, Kathy's Kreations will host a YOUGHIOGHENY YARNS trunk show featuring fantastic hand-dyed yarns from local artisan/dyer Keri Fosbrink during September 27–October 15, 2022 (yep, that's right through Fort Ligonier Days!). Keri has been creating small batch hand-dyed yarns in her home dye studio since 2015, and is our featured instructor for Fall Fling 2022, which kicks off our line-up of October events. Keri has included a selection of projects from sweaters to scarves to showcase her lovely fibers.

What projects do you like to knit for fall? Many of our customers like the feel of natural fibers flying through their fingers – merino wool, cashmere blends, alpaca, all so cozy! It's sweater weather and we have several fun pullovers to spark your creativity. Layers are also important as cooler weather approaches, so think ponchos, shawls, scarves, cowls and hats. Fall weather seems to have arrived right on cue this year, so bundle up. As always, we are crazy for cables, tweeds, hand dyed yarn and textures!

It's officially the fall season, so enjoy cozying up with plenty of warm and woolly yarns, fun projects, helpful tools, and good company! We hope that our take on fresh fall classics will spark your creativity and imagination. Express yourself with your stitches from head to toe, because fall is fabulous!

When knitters make a gift for someone they care about, it's a joy to select materials, and enjoy the relaxing pleasure of knitting. The *Westerly* hat by TIN CAN KNITS is delightful (\$6.00, Ravelry Pro download available through Kathy's Kreations, shown page 7 lower right)! With a few simple timeless cables with DK weight yarn, this cozy hat is sized for big or little loved ones, from newborns to baby, toddlers to child, and adult small to adult large. Ask to see our shop model in progress with Berroco “Arno” (\$12.50, 50 grams, 159 yards, 57% cotton/43% merino, CYCA #3)...

Fill your workspace with knitting and crocheting notions that are as beautiful as they are functional. These tools will help turn your works-in-progress into prized finished objects: --Sharp scissors are a must to keep handy in your project bag! --SUSAN BATES “Handi Tool” (\$2.50) always comes to your rescue to pick up dropped stitches, pick out knots, tease out mistakes, hold extra stitches, do double duty as a cable stitch holder, and is generally useful!

--LEMONWOOD acrylic needle gauges (\$15.00) custom tooled for Kathy's Kreations with our logo and whimsical stitch markers in tin with logo magnet (\$13.50)...

They're the pick of the patch! KNITTING AT KNOON *Fall Pumpkins* (\$2.95 pattern, shown page 8, upper left) are easy-to-knit, clever seasonal autumn decor. Make a bunch to deck your harvest table, or to take as a hostess gift. Directions are given in two heights, 3-1/2” and 5”. Our shop sample, knit by Kathy with MADELINETOSH “TML Triple Twist” (\$29.95, 130 yards, 100% superwash merino, CYCA #4) includes modifications to add textured detail for a “ribs” (the indented ridges running from top to bottom on the outside of a pumpkin)...

*Whisky, Neat* by Thea Colman of BABY COCKTAILS, is a cozy pullover featuring a delicate cable detail around the hem (\$8.00 pattern, shown lower left, Ravelry Pro download available through Kathy's Kreations). Simple moments on this sweater are what stands out, and it is an amazingly relaxing knit! We recommend BERROCO “Mercado” yarn with its soft halo and rustic feel for this pattern (\$11.95, 100 grams, 164 yards, 100% Peruvian Highland wool, CYCA #4 ).

*Whisky, Neat* is worked seamlessly from the bottom up, with raglan shaping and short rows to shape the yoke. There are many spots in the design where you can modify the fit – length, body circumference, yoke depth, neckline shaping and sleeves are all easily adapted for your body. Pattern includes notes for modification and cable instructions are both charted and written out...

\*\*\* OCTOBER 2022 KNIT-ALONG \*\*\*

Mary Lou F recommended *The Lone Skein* by Joji Locatelli for our October knit along (\$6.00, Ravelry Pro download available through Kathy's Kreations, shown left), as it makes a great gift and is the perfect answer to what to knit with that gorgeous one-of-a-kind skein that you've dreamed of making into something magical.

A one-skein shawl is such a pretty thing to make. They are always worthy of our finest treasured yarns, they yield almost instant gratification and they are, truly, the most fun accessories to spice up your daily wardrobe. This simple crescent shaped shawl can be knit with just 1 skein of fingering (sock weight) yarn. It alternates bands of slipped stitches, garter stitch and short rows. The crescent is asymmetrical (it's longer towards one side) and its characteristic shape is achieved by working increases over the edges. Ask to see our shop sample knit by Stacey Rivera in RIVER RAT "Yak" yarn.

It's the neck's best thing! The *Twenty-Two Cowl*, a new design recently released by CASAPINKA (\$7.00, Ravelry Pro download available through Kathy's Kreations, shown lower right), is a two-skein fingering weight cowl worked with any two contrasting shades and a US size 4 needle, 16" circular. Perfect for a solid and a variegated, this warming piece would make a great gift for a good friend or a fashion statement for you. Kathy's cowl in progress is being knit with EMMA'S YARN "Super Silky" in colorways Rainbowfish and Heliotrope (\$28.50 each, 80% superwash merino/20% nylon, 100 grams, 400 yards, CYCA #2).

Please join us in person every Friday throughout October 2022 from 10:00 am–2:00 pm to work on these, or any other projects purchased here at Kathy's Kreations. If you can't join us in person, follow our progress and posts on our Ravelry page, *We Love Kathy's*; Instagram (#kathyknitz) or Facebook (Kathy's Kreations; Ligonier, PA)...

\*\*\* UPCOMING CLASSES \*\*\*

Karen McCullough's "Let's Knit" class series continues on **Tuesday, October 4, 2022, 1:00 pm–3:00 pm**. The featured project is Casapinka's *The Snark-o-Meter* (\$12.00 Ravelry download pattern). This was originally our Summer 2021 Mystery Knit Along. The pattern is in clue form because it isn't just a knitting pattern; it is an experience of drink recipes, life advice from a cat named Sharon from Security, and lots of snark. This class will be worked in sections each month. It will be winding down soon, but it's not too late to join in the fun!

*The Snark-o-Meter* is a design for a rectangular shawl with lots of different textures and a potpourri of pattern stitches, approximately 20" wide and approximately 64" long. It's quite adaptable for length. You will need four skeins of fingering weight yarn (approx. 375 yards each) and US size 4 and 6 needles, 24" or longer. One or two variegated skeins are just fine, and all four as speckles are fine as well. Color B should be tonal, solid, fades or speckled, but not variegated. Single ply will also work, but you will need to size down a couple of needle sizes. Also, if you have more than four colors, this lends itself to that beautifully. Skill level is intermediate beginner. Class fee is \$20.00 plus purchase of Ravelry download pattern and yarn.

Our *Building Blocks* class series with instructor Karen McCullough resumes on September 20, 2022, 1:00 pm–3:00 pm. In lace knitting, decreases are used to create many decorative possibilities. This session features "Advanced Decreases", specifically the central double decrease (CDD), working three stitches together resulting in one stitch that lies vertically with no lean. This series will be wrapping up soon, and Karen will discuss assembling the squares into a beautiful afghan, as well as final steps in completing the project. Karen is available for "help" and one-on-one private knit or crochet lessons by appointment...

\*\*\* RIBBED WATCH CAP \*\*\*

SIZE: Child (adult small/medium, adult large in parentheses)

FINISHED CIRCUMFERENCE: 19" (21", 23")

GAUGE: 5 stitches / 7 rounds = 1"

MATERIALS: Worsted weight yarn approximately 175 (200, 225) yards: US size 5 (3.75 mm) and US 7 (4.5 mm) 16" circular knitting needle OR SIZE NEEDED TO OBTAIN GAUGE; US size 7 double-pointed needles for crown shaping; stitch markers (use a distinctive color to mark beginning of round); tapestry needle for finishing

INSTRUCTIONS: With smaller circular knitting needle, cast on 96 (104, 112) stitches with long tail cast on method. Join, place distinctive marker for beginning of round; be careful not to twist stitches. Work in knit 2, purl 2 ribbing for 1-1/2 (2, 2-1/2)". Change to larger needles and work in rounds of knit 6, purl 2 ribbing until piece measures 6 (6-1/2 - 7)", increasing 0 (1, 2) stitches at end of last round: 96 (105, 114) stitches.

Crown Shaping (change to double-pointed needles as needed, slip markers every round when you come to them):

Decrease Round: \*Knit 1, ssk (slip, slip, knit), knit 26 (29, 32), knit 2 together (K2tog), knit 1, place marker (m); repeat from \* once; repeat from \* to beginning of round marker: 90 (99, 108) stitches. Continue to decrease 6 stitches in this manner (decrease 1 stitch in from marker by ssk and 3 stitches before next marker by K2tog) EVERY OTHER round twice, then EVERY round until 4 stitches remain between markers. Cut yarn, leaving a 6" tail. Thread end into tapestry needle and draw through remaining stitches. Pull up tightly and fasten off. Weave in ends. Add a pompom, if desired.

Pattern adapted with modifications by Kathy Zimmerman from a vintage pattern from Bucilla Yarn Booklet Volume 318, dated 1940, and interpreted by Helen Waites, "Classic World War II Watch Cap". Additional modifications are possible with color blocking, or substituting a 6-stitch colorwork or textured pattern for the knit 6 ribs.

\*\*\* KNITTING TIPS AND TRICKS \*\*\*

The gauge swatch is a "test drive" for the yarn and needles. You can see how a yarn "works" in a swatch (ex., do the stitches show up properly?). The test swatch is not only for gauge but to check for washability and colorfastness. You can try different size needles and or different types of needles to obtain the correct gauge. You can keep the swatch as a record or for mending. Put yarnovers in the swatch to show the size of the needle used or tie knots in the tail. You can sew swatches together to make a blanket or tote bag. Even if you never check your gauge when making afghans or shawls where exact size is not so important, it's a must when making a garment. Make a gauge swatch that is at least 6" square, and measure over the center 4". Don't hesitate to change needle size to get the correct gauge.

Mark the right side of your garment with a split marker or locking marker.

When you stop knitting and then pick up your work again, the yarn should always be on the right hand needle so that you will be knitting from right to left. The right hand needle determines the size of the stitch. Use a smaller needle when picking up stitches after ripping out stitches or rows. Always use the same needles as you swatched to maintain gauge throughout your project.

Work increases and decreases at least one or two stitchers in from the edge. This is called "fully fashioned".

Update an old sweater by changing the edging or adding embellishments such as embroidery, knit flowers, or new buttons.

\*\*\* LIL'S PUMPKIN DESSERT \*\*\*

This dessert was such a hit at the Laurel Highland Knitting Guild Pic-knit that we added it to the menu for our "Grab & Go" box for Fall Fling. Lil G graciously shared it with us – thanks, Lil!

Layered Pumpkin Dessert with yellow cake mix

- 1–12 oz. can evaporated milk

- 1/2 cup softened butter
- 1 cup walnuts or pecans, chopped

2. In a large mixing bowl, beat pumpkin puree, evaporated milk, sugar and eggs until well mixed.
3. Add pumpkin pie spice and cinnamon. Mix again until well blended.
4. Pour into greased 9" X 13" pan, or two 8" X 8" pans.
5. Combine butter and cake mix, use a fork or your fingers to make sure all the butter is incorporated into the cake mix.
6. Sprinkle cake mix/butter mixture on top of pumpkin mixture.
7. Bake for 20 minutes.
8. Remove from oven and sprinkle nuts on top of cake mix.
9. Bake for 30–40 minutes longer.

\*\*\* SMOOTH SHOULDER SEAMS \*\*\*

Have you ever knitted a sweater where the shoulder seams didn't turn out looking the way you envisioned? Many knitters prefer to knit seamless sweaters for that very reason, but a seamed shoulder really is better construction. Kathy always says the key to a well-fitting sweater is the fit at the shoulders: "If the sweater fits you well at the shoulders, it will look better".

INTERWEAVE tells us in their September 9, 2022 blog: "To create smooth shoulder seams, you need to pay attention to two different things: the edges you're joining and the way you sew them together."

Our shoulders slope downward from the neck to the arm. Sweater patterns are often designed with a similar slope, to give a better fit. If you work a standard bind-off (ex., bind off 5 stitches at the beginning of the next 4 rows), you'll be left with a series of stair steps, which makes it nearly impossible to achieve a smooth edge. Instead, try working a sloped bind-off with half-step intervals for a smoother curve by replacing the bind off with a series of short rows. Use a wrap & turn, German short rows, or yarn over short rows – choose the method you like the best. When the short rows are completed, bind off all the stitches in preparation for seaming or join the pieces with a three-needle bind-off.

When it's time to join those smooth edges, nothing beats mattress stitch. The seam it creates is strong, stable, flexible and inconspicuous.

\*\*\* GERMAN SHORT ROWS \*\*\*

Knowing which short row technique to use in specific situations can be confusing. German short-rows have become the most popular way to work short rows for a good reason: they're easy to knit and they produce excellent results. They can be used to raise the back neck area on circular yoke sweaters, to shape the shoulder slope on both pullovers and cardigans, to add bust shaping, and to create a curved hem.

What's a DS? It's a pivotal double stitch in the German short row method that closes the gap between short rows and regular rows. Creating German short rows involves two steps: turning the work and making the double stitch, abbreviated as DS. Kathy suggests placing a coilless pin or locking stitch marker into the DS to help locate it. Here's what stockinette instructions will look like for a swatch of 30 stitches:

Short Row 1 (right side RS): Knit to last 5 stitches, turn.

Short Row 2 (wrong side WS): DS, purl to last 5 stitches, turn.

Short Row 3: DS, knit to 4 stitches before DS, turn.

Short Row 4: DS, purl to 4 stitches before DS, turn.

Repeat Short Rows 3 & 4 once more.

Next Row (RS): DS, knit to end working DS as a single stitch.

Next Row (WS): purl to end, working DS as a single stitch.

1. Knit across the row until 5 stitches remain on the left needle.
2. Turn the piece so that wrong side is facing . The working yarn should be at the front, toward you.
3. Slip the next stitch on the left needle to the right needle as if to purl.
4. Bring the working yarn up and over the right needle toward the back. Pull firmly. You will see both legs of the slipped stitch stretched over the top of the right needle, forming the double stitch.
5. Move the working yarn into position for the next stitch. In this case, we'll be purling so the working yarn is brought to the front.
6. Purl across the row until 5 stitches remain on your left needle.
7. Turn the work so that the right side is facing you. The working yarn should be at the front, toward you.
8. Slip the next stitch on the left needle to the right needle as if to purl.
9. Bring the working yarn up and over the right needle toward the back. Pull firmly. You want to see both legs of the slipped stitch stretched over the top of the right needle, forming the double stitch.
10. Move the working yarn into position for the next stitch. In this case, we'll be knitting, so the working yarn is in the back.
11. Knit to 4 stitches before the previous double stitch. Repeat steps 2–6.
12. Purl to 4 stitches before the previous double stitch. Now repeat steps 7–10.

A set of short rows is a pair: one right side row and one wrong side row. When your short rows are complete, you'll work two rows to resolve the double stitches and get back to the edges of your piece. When you come to the double stitches, you will knit or purl them as if they were a normal single stitch.
